

High Holy Days

Temple Solel's High Holy Day services will (*with continued caution*) take place on Zoom this year. We welcome non-members and guests to share these sacred moments with us as a congregation. The cost is \$100 per adult. Children under 18, active college students and active military are welcome to attend for free. For security reasons we need the full names of anyone in your party attending our services. As each person joins the Zoom call, they will be "admitted" electronically once names are validated.

Please print name and contact information to be included with in advance with payment and send to:
